Curriculum Vitae

Personal Details
Name: Wendy Nkirote Gituma
Gender: Female
Phone Number: 0114168240
Email: wendynkiroteg@gmail.com

A curious and determined individual, I thrive in problem-solving and logical thinking. My adaptability allows me to navigate challenges with resilience, and my collaborative nature ensures effective teamwork in fast-paced environments. I am particularly passionate about technology's ability to drive innovation, and I enjoy exploring advancements in system management, database management, networking, and cybersecurity. Beyond technical skills, I appreciate the intersection of technology with real-world applications, striving to create meaningful solutions that improve efficiency and user experiences.

Education Qualification

2021 – Present | *Bachelor of Science in Computer Science*
Meru University of Science and Technology (completed, awaiting graduation in Sep 2025)

2021 (June – August) | *Computer Packages Certification*
Mount Kenya University (Meru Town Campus)

2017 – 2021 | *Kenya Certificate of Secondary Education (KCSE)*
Chogoria Girls' High School

Work Experience

2024 (May – August) | *Attachment at Kenyatta University (Main Campus)*
Duties & Responsibilities:

- Assisted in **systems management**, ensuring efficient operation and troubleshooting of the university's IT infrastructure.
- Supported **networking tasks**, including configuration, monitoring, and maintenance of network connections.
- Engaged in **database management**, optimizing data storage, retrieval, and security processes.

- Collaborated with IT professionals to understand and implement **security measures** for system protection.
- Provided technical support for **software installations**, user issues, and system updates.

Key Skills & Competencies

- Windows operating system proficiency
- Fluent communication in English and Kiswahili
- Strong teamwork and collaboration skills
- Effective time management

INDUSTRIAL ATTACHMENT REQUEST FORM

Dear Sir/Madam,

Ref: Attachment Arrangements
The attachment for the current academic year for Meru University of Science and Technology students is scheduled to take place from May 2025 until August 2025. This student would like to carry out his/her industrial attachment in your institution. Kindly accept the request.

Name of Student	Phone No.	Reg. No.
Wendy Nkirote Gituma	0114168240	CT201/106097/21

Industrial Attachment is an important part of a computing student. It is therefore crucial that your institution cooperates in this aspect of the student's professional training. They need an opportunity to practice what they have learned and to become familiar with all the normal duties of the profession. During the attachment, the student will be under your direct control and should be mentored by your staff members. University lecturers will visit them as examiners and advisors, but your guiding information and assessment of their performance will also be much appreciated.
Please sign and return a copy of this form as confirmation of your acceptance of this student in your institution.

Thank you for your cooperation.
